Project Planning Sheet Year 11 Exam 2021

	Tasks: Use this as a rough guide to what you should cover in your project. Tick	Completed/
	off tasks as you complete them!	comments
	Get Exam Paper. Write introduction and copy your chosen question down. Do a	
	mind map of ideas about the question or problem. Produce a critical study of the	
	work of a relevant artist on an A3 sheet. (Brief introduction/ what is their work	
	like and about/ what features are most interesting and could be useful in your	
	project?) Draw or paint parts of the artist's work. Annotate and explain about	
	the shapes/ colours/ materials used.	
	Produce a series of photos relevant to your question (at home or school) Make at	
	least 3 observational drawings in 3 different materials, wet and dry media (eg,	
	pencil/ ink/ watercolour, chalk, pastels, use Photo Shop to edit images.)	
	Produce an analysis of the work of a second artist , including at least 2 sketches.	
	Draw or paint parts of the artist's work. Annotate and explain about the shapes/	
	colours/ materials used. How will you develop or use these ideas?	
	Produce an A3 observational drawing based on your question, then develop the	
	image into the style/ colours etc of one of your artists. Make several drawings	
	using wet and dry media. Explain connections with your artist and suggestions	
	for further development.	
	Collect resources on a further sheet (pictures, YOUR photos and observational	
	drawings) which you can use for your project. Combine all research, photos and	
	drawings and plan 4 different possible outcomes for your final piece. Show	
	your different ideas in sketch form, annotating and writing notes about each idea.	
	Select at least two of your ideas to develop further. Try out the ideas, sketching	
	them out and altering, trying out possibilities and improvements. Use your artist's	
	research, drawings and photos as reference. Add colour into your sketches using	
	at least two different materials. Write notes and annotations explaining how the	
	ideas are developing and changing.	
	Continue to change, improve and develop your ideas in larger drawings, using	
	paint and mixed media. Try out at least one idea in two different media, styles	
	and ways of painting or drawing (eg, thin washes of water-colour contrasted with	
	thick, expressive brushstrokes. Make reference to your artists.) Present your work	
	so far, appropriately, either in a sketchbook or on sheets of card.	
	Make sure that you catch up with any tasks on this sheet you have not completed.	
	Buy a canvas if needed! Or stretch paper onto a drawing board. Continue to	
	develop (or combine together) your best ideas. Annotate your work.	
	Decide on your final idea . Take photographs; do observational drawings specific	
	to your idea. PLAN your piece. Annotate your work.	
	Test out materials you will use and evaluate which material/ way of painting or	
	making is most suitable and why. Refer back to your artist and comment on what	
	you have taken from their work and how you've used it. Improve the	
	composition. Sketch alternative compositions.	
	Final planning for exam. Make sure everything is ready and tested out.	
	Tidy up and mount up or stick in your preparation work.	
	Hand in all preparation work, sketchbook, drawings, mounted sheets of	
EXA	work etc. at the end of the SECOND EXAM DAY
