Culture Day 2026 and Debate Club grand finale
- 04/05/26 :
Start of GCSEs
- 11/05/26:
Start of A-levels and AS levels

THIS TERM

This term has been truly action-packed, with a wide range of events in school alongside exciting trips for every year group. Students and departments came together to celebrate World Book Day, where costumes were showcased and judged in a lively competition. The Spring Soirée remained a much-loved part of RMGS tradition, featuring outstanding performances from across the school. Meanwhile, Year 7 and 8 students enjoyed the recent ANVIL Carnival Day, filled with creative activities exploring cultures from around the world. There have also been numerous trips across all year groups: from the Year 8 adventure to Warner Bros. Studio London, to the Year 9 production visit to The Glass Box, and the exciting Year 10 trip to the Maths Live event in Paris. In addition, Year 10 and 12 art students visited the Carl Freeman Gallery and Turner Contemporary, enriching their creative experiences. Overall, it has been a busy and vibrant term, and we look forward to carrying this energy into Term 5!

NEXT TERM

Next term should hopefully be equally as jam-packed with action! Starting off strong, Earth day is approaching in April, with a green and blue tag day to represent the planet! Another exciting event include the semi-finals and the final of the RMGS Debate competition. Make sure to join on the dates listed on the left and watch an intense debate on various topics, with a chance to be selected as a judge! Later in May, we have culture day held by the diversity team and our new diversity pillar lead, bringing new events to the day (that you will have to wait and find out!), as well as other events involving the charity team (an excellent team that you could be a member of!). Beyond these events, let us wish the Yr. 11s and 13s good luck with their upcoming exams in May!

An Introduction from your Head Students:

We are incredibly proud to introduce ourselves as your new Head Boy, Rohan, and Head Girl, Emily. It is truly an honour to take on these roles, and we are both excited for the year ahead and the opportunities it brings to support and represent RMGS and its spirit. So far, it has been a busy and sometimes hectic start for all of the prefects as we settle into our responsibilities, but it has also been an enjoyable and rewarding experience. If you have any recommendations, feel free to email us (our email addresses on the last slide), whether it's related to the bulletin, the school or any events! We are looking forward to work as a team to make the school a better space tailored for you!

STUDENT NEWS

WHAT ARE THE PREFECTS UP TO?

Hi everyone! My name is Scarlett, and I am the deputy head student for the respect pillar. Currently I am studying chemistry, biology, and maths, hoping to work somewhere in the medical field in the future. I love to dance, listen to music, and go out with my friends. I am so excited to start this role as a new prefect!

Hello! My name is Max, and I am the new careers pillar lead. In this role, I hope to provide more information on career pathways, offering guidance to subject choices and routes that align with your future aspirations and career goals. I wish to organize a career fair and possibly similar events to give insight into different fields of work. If you wish to contact me with any queries you may have, my email is n0mpaqne@rmet.org

I'm Hattie, I do A Level French, German and English Literature and I'm the health and wellbeing lead. I'm working increasing awareness of the support available in school, and making sure that support works for you. Look out for a survey from me and the rest of the happiness team, which we hope to send out soon!

Hey, my name is Adam and I am part of the respect pillar. One of my main initiatives I want to pursue this year is making community service around the school more rewarding for students, to boost engagement. I hope to bring lots to the school eco-community.

My name is Harry and I am a deputy head student. I lead the Aspiration pillar. The A-Levels I study are Maths, Economics and Geography. I also enjoy going to the gym and spend time working at Tesco. My goals are to increase participation and availability of interventions, spread awareness of academic resources and boost the enjoyment of reading. So far, I have worked with my pillar to meet with teachers and come up with initial ideas, such as a reading room, loyalty cards and reintroducing the idea of subject champions, which will hopefully be implemented soon.

Hi Rainham Mark! We're your new House Captains. It's been lovely to meet you this term and we're so excited to be getting to know you. As your House Captains, we are proud to represent and support every member of our houses throughout the year. Our role is to encourage teamwork and to create a positive environment where everyone feels motivated to do their best. Please don't hesitate to come and talk to us - we're always happy to help!

Heyy, I'm Teni and I'm in charge of clubs and societies meaning that for anything fun, I'm your girl. I'm going to work really hard to make sure that everyone feels like they have a like minded community to fit into this year, whatever your interests may be. If you have any ideas feel free to reach out :)

We're so excited to be the new lower school prefects for RMGS! We are very proud to have this responsibility for the school and be able to support our year 7 and 8 students settle into school life. As prefects we aim to be approachable and supportive as we know the transition from primary to secondary school can be overwhelming. We are hoping to make form times fun and productive and do as much as we can for our lower school!

Prefects 2026

Hello everyone! My name is Alishba and I am your new Academic Excellence Lead! With my new role, I will try my best to make sure students are supported with their studies. At the moment, alongside Harry and Matilda, we are looking at ways to refine the interventions that currently run in school. Additionally, I am looking forward to helping decorate A11 into a new reading room! If you have any questions or concerns related to Academic Excellence, please feel free to email me at paabdulaziz@rmet.org

My name is Matilda and I'm the new literacy lead! In this new position, I will be helping students improve their literacy skills and will overall emphasise the importance of reading. I have already enjoyed helping to organise events for World Book Day, working alongside Alishba and Miss Davies, as well as completing my Reading Mentor training, which I hope to help set up the program for!

Hi, I'm Tomi and I'm the charity lead. My team and I are working towards delivering many charity events in the school. Most recently we have been planning a "Spirit Week" which is a week where there will be different daily themes that students can dress in accordance with, as well as fun activities for 6th form!

I'm Ben and I'm the deputy head student leading the happiness pillar, which includes charity and wellbeing. I'm studying maths, further maths, computer science and German. Over the next year, I aim to enhance the school experience for students and strengthen the feeling of belonging in the RMGS community. One of our key goals as a pillar is to improve access to wellbeing resources for all students. We also plan to host lots of exciting events, many of which will raise money for charity and our school, so keep an eye out for them!

Hello everyone. My name is Joeyas, and I am your new Diversity Pillar. As of right now, the Diversity club and I are organising our "Culture Day" and will be arranging similar events in future. If you have anything you would like to input or activities that should take place during culture day/ the week leading up, please email me at joewill@rmet.org. Alternatively, come and visit us at the Diversity club on Friday (normally in C block), so you can become a member and have more of an impact on the school community and events. If you have any questions regarding anything diversity related, please feel free to email me.

Hi! I'm Abi and I study Physics, Maths, Art and Product Design and I am a Deputy Head Student. I love all things cars, drawing, running and spending time with family. I am very excited to work with the school community and deepen curiosity all around :)

THIS TERM AT CABINET

Here's a summary of what's been going on in our student leadership system this term! We feel it's really important that students know they have a voice at school, and that everyone is kept updated on our progress and discussions around your feedback. Please do raise ideas and concerns with your parliament and cabinet reps, so we can continue to enact positive change within the RMGS community!

It was a delight to meet all of our new Cabinet members on Thursday last week. As mine and Rohan's first Cabinet meeting as Head Students, we are already impressed by the enthusiasm, careful thinking and confidence displayed by those who are so keen to advocate for their peers and give up their time to serve our school community. We are excited to meet again next term as a group to continue to strive to make the voice of the student body heard.

At this term's cabinet meeting, we focused on a number of issues raised to us by Year Group Parliaments this term, alongside additional stimuli that SLT desired to hear student opinion on.

We discussed:

- The clarity of the uniform policy, and what rules need to be better communicated and explained to RMGS students.
- The school site: current issues, opinions on potential refurbishments, and signage.
- Mobile phone policies and initiatives
- Bullying in school, wellbeing, and awareness of services for reporting. NB to all students: if you have any safeguarding or wellbeing concerns then you can email rmgssafeguarding@rmet.org, talk to any member of staff (e.g. your form tutor or Head of Year), contact the safeguarding team (on the back of your lanyard card) or fill out the form on the school website:
<https://forms.office.com/pages/responsepage.aspx?id=IATPn5tpiUKZVpOK0W6lD1cSmVdlzHdKuYltqrmscJ5UQzE1TUhBUklQVlhFWkdJOUpTWDBPSEFJaSiQlQCN0PWcu&route=shorturl>
- Communication: increasing engagement from students towards school messages - including Teams, emails, Arbor, Form Tutors, notice boards, assemblies and the Student Bulletin (which we're delighted that you're reading right now!)
- Belonging: particularly in relation to the house system. The low number of students wearing house-coloured flashes on blazers, lack of house and family belonging in sixth form and wider school. The crests from the house crest design competition are currently with a graphic designer and will be integrated into the school house system when ready!

PREFECT POSTERS

Carefully picked by your head students and prefect team: a selection of events, opportunities, competitions and clubs that we are highlighting for the coming term. We encourage students to get involved with personal enrichment and try these out!

email p0aabdulaziz@rmet.org for any questions

6TH: S- 15373

7TH: R- 15136

8TH: F- 14512

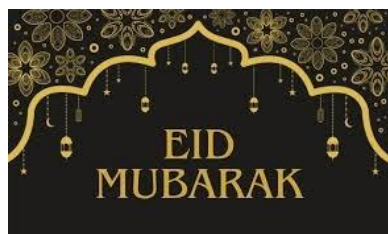

WISHING YOU ALL A RESTFUL BREAK!

We hope all students have enjoyed Term 4 at RMGS and wish everyone a Happy Easter. To those spending the break revising for GCSEs, A-Levels or mock exams: good luck, and remember to rest! Let's hope the sun is shining, you eat too much chocolate, and you have the chance to pick up that hobby or TV show again that you've been too busy to enjoy during the school term.

It has been our pleasure to serve our first term as Head Students and continue the work of all of the previous prefect teams before us. Thank you to former Head Students Arthur and Lois, alongside all members of the 2025-26 prefect team for welcoming us and handing over the reins, taking their time to give us helpful pointers, and leaving a strong legacy for the 2026-27 prefect team to take over!

The past few weeks have been busy for all, but heartwarming: whether you've been encouraging your friends through Ramadan, getting stuck in with student leadership, or supporting and celebrating each other through personal events: we're proud of you all. I also would like to extend a special mention to the energy, hard work and encouragement displayed by our new prefect team, both behind the scenes and around the school. Seeing the RMGS community united has reminded myself and Rohan of our ambitions and pride towards our school and are excited to see where the coming year as Head Students will take us!

Emily and Rohan
Your Head Students

(P.S. From next term's bulletin, we're planning a photo gallery for events/achievements that have happened at RMGS! If you want to send any photos, queries, and info of events happening, you can email Rohan at P0RGeorge@rmet.org or Emily at A0EFerris@rmet.org)
