Headteacher's Welcome

Dear Parents, Carers and Students,

It has been another busy and rewarding week at RMGS, with a wide range of enrichment opportunities taking place across the school.

This week, we would like to shine a particular spotlight on our Music Department. We are delighted that the department has been awarded both the prestigious Artsmark Award and the Prince's Teaching Institute Mark. These accolades reflect the department's commitment to delivering a creative, ambitious and aspirational curriculum that provides the stretch and challenge students need to nurture their talents and develop a lifelong appreciation of music. The strength of this provision is also reflected in student outcomes. In the 2025-26 academic year, 57% of GCSE Music students achieved grades 9-7, an outstanding accomplishment that demonstrates the dedication of both staff and students. I would like to extend my sincere thanks to Miss Smallwood, Head of Music, Mr Holeyman, Teacher of Music, and our dedicated team of peripatetic teachers. Their expertise, enthusiasm and commitment ensure that our students receive exceptional opportunities both inside and outside the classroom.

RMGS also had the honour of hosting the National Theatre on Monday 28th September for a special production of *The Bacchae* by Euripides. This was a significant achievement and reflects the dedication of Ms Macken (Head of Expressive Arts) in ensuring that our students benefit from the very best opportunities to deepen their knowledge and understanding of the power of the Arts. The central theme of the production was belonging, a value that resonates strongly with the RMGS Spirit and our commitment to fostering an inclusive and supportive school community.

We were delighted to welcome students and staff from local schools, including Queen Elizabeth Grammar School and Dane Court Grammar School to share in this experience. One of the highlights of the day was receiving feedback from visiting students who commented that RMGS was a lovely and welcoming school that reminded them of their own school. Such feedback is a testament to the warmth, kindness and respect that our students and staff demonstrate each day. The National Theatre team was incredibly impressed by the welcoming atmosphere at RMGS and by the thoughtful way our students engaged with the production.

As a school, we recognise and value the unique skills, creativity and cultural understanding that students develop through the Expressive Arts from Key Stage 3 through to Key Stage 5. These experiences enrich our students' education and help prepare them for success in an increasingly diverse and dynamic world.

We wish you all an enjoyable and restful weekend and look forward to welcoming our students back on Monday.

With warm regards,

**Mrs A. Hart
Headteacher**

How to help at home with

Getting back to school

Five weeks into the school year, the novelty of being back has often disappeared and tiredness can really start to show. Irritability or needing more downtime at home doesn't necessarily mean something is wrong.

1

2

Keep mornings simple. Bags, uniform, PE kit and lunches prepared the night before can make a tired morning much more manageable.

Allow decompression after school. Some teenagers need food, quiet, gaming, music or simply time alone before they're ready to talk or tackle homework.

3

4

Talk about half-term plans—even simple things such as a lie-in, seeing friends, watching a film or having a day with no schoolwork.

Aim for consistency rather than perfection. There will be forgotten homework, difficult mornings and tired evenings. Maintaining a calm routine and keeping communication open is more valuable than trying to make every school day go perfectly.

♥ Macmillan Coffee Morning ♥

Last Friday, 25th September, our staff came together during break time to support **Macmillan Cancer Support** with our very own Macmillan Coffee Morning.

Staff enjoyed a well-earned break with plenty of **tea, coffee, cake and conversation**, while raising money for a fantastic cause. Thanks to the generosity of everyone who baked, donated and joined us, we raised a brilliant **£120!** ☕ 🍰

It was wonderful to see our staff community coming together to support such an important charity – and proving that sometimes **eating cake really can make a difference!**

A huge thank you to all our staff who supported the event and helped make it such a success. ♥

90 miles in October for Mind

Reiss Wynne is fundraising for Mind

Help us reach our £500 goal

justgiving.com/fundraising/reiss1789317546098

This October, I'm taking on 90 miles for Mind to raise money and awareness for mental health.

I'm part of an F1 in Schools / STEM Racing team, so I'm always doing different projects and challenges, but I wanted to take on something outside of racing that supports a cause that's really important. Mind's phone lines are currently busier than ever, and with 1 in 4 people in the UK experiencing a mental health problem, the support they provide is needed now more than ever.

I'm aiming to complete the 90 miles throughout October, and I'd really appreciate any donations to help me reach my fundraising goal. Even a small donation can help Mind continue providing information and support through their website, helplines and Side by Side community.

Thanks to anyone who donates or shares!

Kent Schools Netball | U16s

Such a proud day for our U16 girls at the Kent Schools Netball Competition.

A brilliant first round saw them win all three games:

-  Sevenoaks 9–5
-  Gads Hill 9–2
-  Hayes 9–1

Onto a very tough second-round group:

-  Eltham College 8–12
-  St Dunstan's 9–3
-  Walthamstow Hall 9–12

Four wins from six and so much to be proud of.

The girls will no doubt be disappointed, but those two losses came against Eltham and Walthamstow Hall — teams no strangers to winning county championships and qualifying for Nationals — and we pushed both all the way.

On another day, and with a kinder draw, things could easily have looked very different. What matters is that the girls showed they can compete at this level, with plenty of fight, confidence and togetherness throughout the day.

They represented the school brilliantly and should be incredibly proud of themselves.

Lots to take away, lots to build on and a lot to be proud of.

SPORTING SHOUTOUT

A huge congratulations to Anabelle C in Year 10 (pictured on the right), who enjoyed an incredible day of tennis at Meopham Lawn Tennis Club!

At just 15 years old, Anabelle won BOTH the Mixed U18 Doubles competition and the Adult Ladies Doubles Club Championship — without dropping a single set all afternoon! 🎉 🎾

In doing so, Anabelle made club history by becoming the youngest-ever Ladies Doubles winner at Meopham Lawn Tennis Club, earning her a permanent place on the clubhouse winners board! 🏆

As impressive as the results themselves was the calmness, maturity and sportsmanship Anabelle showed throughout the competition.

An outstanding achievement from a brilliant young sportswoman — congratulations, Anabelle! 🎉 🏆 🎾
