Headteacher's Welcome

Dear Parents and Carers,

It has been a busy and purposeful week at RMGS, with many opportunities to celebrate the achievements, leadership and engagement of our students.

This week, we completed our Sixth Form Curriculum Reviews, which provided a valuable opportunity to visit lessons and see learning in action. It was wonderful to observe so many of our Sixth Form students fully engaged in their studies, asking thoughtful questions, supporting one another and being challenged to develop their thinking and broaden their perspectives. My sincere thanks go to Mrs Napier, Deputy Headteacher, for leading the review process, and to the staff and students who contributed so positively throughout.

I was particularly pleased with the feedback received from our Year 12 and Year 13 students during the student voice sessions. Student leadership continues to be a real strength of RMGS, and I am always impressed by how articulate, reflective and insightful our young people are. Their commitment to making a positive contribution to our school community is something of which they should be very proud.

We were also delighted to welcome prospective Year 5 and Year 6 families to RMGS during our Open Mornings. As a parent myself, I have always felt that these events provide a genuine insight into the day-to-day life of the school. Thank you to our Sixth Form and Year 7 students who acted as tour guides for our visitors. It was wonderful to see our younger students developing their oracy skills with such confidence and enthusiasm. Their pride in our school community was infectious. I would also like to thank our Year 12 students for modelling our ARCH values so effectively and demonstrating outstanding leadership throughout the events.

Uniform standards across Years 7 and 8 have been exceptionally high this term. During a walk around the school, I noticed Gabriella C wearing her uniform with great pride and to an exemplary standard. I also spoke to a group of Year 10 boys at lunchtime who were polite, articulate and smartly presented. I would like to give a special mention to Jack, Samuel and Leo for the excellent impression they made (photo below).

I am also excited to share that a group of our talented Year 8 engineers and designers are beginning work on a new eco-project. We look forward to sharing more details in the coming weeks. It was a pleasure to host the students at lunchtime on Wednesday as we began the creative process, discussing ideas and developing initial sketches. Thank you to Daniel, Sam and Tommy, Brodie and James for their enthusiasm, creativity and commitment to the project.

Thank you, as always, for your continued support of the school. I wish you and your families a thoroughly enjoyable weekend and look forward to welcoming our students back on Monday.

Staff Spotlight

I know that when our young people join secondary school, there are suddenly so many new faces to get to know. With an increase in staff and a much larger school community, it can understandably feel a little daunting for parents and carers.

To help families become more familiar with our wonderful staff body, we are introducing a regular Staff Spotlight feature.

This week, we are shining a spotlight on our **Senior Leadership Team**:

- **Mrs E. Horstrup** – Senior Deputy Headteacher and Teacher of English
- **Mrs C. Napier** – Deputy Headteacher (Curriculum) and Teacher of English
- **Mr A. Smith** – Assistant Headteacher, SENCO and Teacher of Chemistry
- **Mrs R. Robbins** – Assistant Headteacher (Key Stage 3) and Teacher of Physical Education
- **Mr M. Brown** – Assistant Headteacher (Key Stage 4) and Teacher of History and Politics
- **Mrs S. Gooding** – Assistant Headteacher (Key Stage 5) and Teacher of Modern Foreign Languages
- **Ms V. Tappous** – Assistant Headteacher (Personal Development) and Teacher of Geography
- **Mrs A. Hart** – Headteacher and Teacher of Law and Philosophy

I asked each member of the team to share why teaching matters to them and what makes working at RMGS so special. As a school, our key themes this year are belonging and mattering, and our Senior Leadership Team is deeply committed to ensuring that every student feels valued, supported and able to thrive.

We hope you enjoy reading their reflections and getting to know the people who help lead our school community each day.

And finally, please enjoy our accompanying selfie! While it may not quite match the photographic expertise of our students, this group of millennials gave it their very best effort!
