Headteacher's Welcome

What a wonderful few weeks it has been at Rainham Mark Grammar School, filled with opportunities to celebrate the talents, achievements and aspirations of our exceptional students.

Firstly, I would like to extend my sincere thanks to our entire school community for making our Year 6 Open Evening such a tremendous success. Staff, students, governors and families came together to showcase everything that makes RMGS such a special place to learn and grow. Throughout the evening, our students exemplified our core values of Aspiration, Respect, Curiosity and Happiness, demonstrating not only their academic strengths but also their kindness, confidence and pride in their school.

I was incredibly proud of our Year 7 students, Amelia and James, who warmly welcomed parents and visitors throughout the evening. My thanks also go to Erin and Jacob, whose Year 7 speeches were delivered with confidence and enthusiasm, providing a wonderful insight into life at RMGS from a student's perspective.

I would also like to pay tribute to our Head Students, Rohan and Emily, who delivered their speeches with sincerity, humour and authenticity. They were truly inspiring and captured the spirit of our school beautifully. The evening was further enriched by the remarkable talents of Kieran, who provided wonderful piano performances, and Nedum, whose operatic singing captivated our audience. It was a fantastic opportunity to showcase the breadth of talent that exists within our student body.

I would particularly like to shine a spotlight on Emily and Rohan. Both students have recently completed the University Clinical Aptitude Test (UCAT) as part of their applications for Medicine and Dentistry and have achieved results that place them amongst the top 10% of candidates nationally. This is a truly outstanding accomplishment. I vividly remember discussing their future aspirations during their Head Student application interviews, and it has been a privilege to see them pursue their ambitions with such determination, dedication and success. They are exceptional role models for our younger students.

This week also brought the pleasure of hosting our Headteacher's Certificates Ceremony. It was wonderful to celebrate students from Years 8 to 11 who have worked towards and achieved success in their LAMDA examinations, gaining an impressive number of merits and distinctions. Public speaking can be daunting, and the courage required to speak confidently about topics that are meaningful to them reflects both resilience and commitment. These students should be immensely proud of their achievements and the progress they have made in developing their oracy and communication skills.

The ceremony also provided an opportunity to recognise a number of students who have been awarded a Headteacher's Certificate for demonstrating excellence, commitment, leadership and contribution across the term. Celebrating these successes is always one of the highlights of my role.

I would also like to thank our dedicated Prefect Team for their support during the recent Grammar School Heads Association Preparation to Headship and Preparation to Senior Leadership courses. It has been a privilege to welcome colleagues from across the sector to Rainham Mark and to contribute to the sharing of best practice with experienced and aspiring school leaders. My thanks go to the RMGS Leadership Team for working collaboratively with colleagues and demonstrating the professional expertise for which our school is known.

Finally, a huge congratulations to Hannah, who has recently joined the theatre cast of One Day. This is a significant achievement and a wonderful reflection of Hannah's talent, commitment and passion for the performing arts. We are incredibly proud of her success and wish her every luck as she embarks on this exciting opportunity.

Thank you, as always, for your continued support. It is a privilege to lead such a talented, ambitious and caring school community, and I look forward to celebrating many more successes with you over the coming weeks.

 A Day of Learning at Canterbury Christ Church University!

Last week, our Year 13 Geography students enjoyed a fantastic visit to the library at Canterbury Christ Church University.

They were impressed by the university's modern facilities and extensive range of learning resources. The visit also gave them valuable insights into academic writing, helping them prepare for their upcoming Geography NEA (Non-Examined Assessment).

A great opportunity to experience university learning and develop the skills needed for success at A-level and beyond!

How to help at home with

Getting back to school....Half Term!

For many teenagers, the past few weeks have involved adjusting to new teachers, timetables, expectations, friendships and routines. Even if your child appears to have settled well, they may be feeling more tired than usual.

1

Teenagers often need more downtime than we realise. Allow some slower mornings, relaxed afternoons and time without a busy schedule. They don't need to be productive every day of the holiday.

2

. Create opportunities for relaxed conversations during a walk, car journey or shared activity. Sometimes teenagers open up more when they don't feel they are being questioned.

3

Whether it's navigating a new school, building friendships, improving attendance, trying a new activity or simply persevering through a difficult few weeks, small achievements deserve recognition.

4

You don't need expensive days out or a packed calendar. Autumn walks, baking, watching a film, cooking together or sharing a favourite meal can provide valuable opportunities to reconnect.

5

Wishing all our students and families a happy, healthy and restful October half term! 🍂

On Monday 28th September, RMGS was delighted to host the schools touring version of 'Bacchae' from The National Theatre, adapted by [Nima Taleghani](#) and directed by [Hannah Hauer-King](#).

'The Bacchae aren't standing on the sidelines whilst the men have all the fun. These fangirls may be a pack, but they're not animals... they are stage-storming powerhouses ready to cause chaos in Thebes. Whilst the Bacchae maraud in the mountains, their god Dionysos is taking part in his own dysfunctional family Olympics. He's here to bring down his cousin King Pentheus. All to prove to the chorus of women that he's more than just the god of rhyme, wine and a good time.'

RMGS was selected to host this exciting new version of Euripides' ultimate tragedy which came to life before our student's eyes through rhythm, movement and music. We were also joined by our friends from The Danecourt Grammar School and Queen Elizabeth's Grammar School. This opportunity showcases our commitment to The Arts and it's unwavering ability to allow our young people to explore such pertinent themes as diversity, inclusion and belonging.

Calling any local businesses, parents & carers; Alumni or members of the local community

In addition to their existing PSHE provision, our 6th Form students have one Enrichment session every other week. Within this we are keen to offer a programme of practical life skills that students can take out into the wider world.

This is where we would love your help.

We are looking for any local businesses, Alumni or members of the local community who would be happy to volunteer 1 hour to come in after school and talk to our students on specific areas such as: car maintenance; budgeting & money; basic cooking skills; how to use social media professionally; how to switch off; health & wellbeing; basic maintenance such as changing a lightbulb; basic first aid etc

You do not have to be business or even a professional speaker - just someone who is keen to support our students as they start to navigate their next steps
