

Rainham Mark Grammar School – Peripatetic Instrumental Lessons

Dear Parents and Students,

We are very pleased to be able to offer tuition in a wide range of instrument. If you want to start lessons, all you have to do is fill in the slip at the bottom of this letter and pass it on to a Music teacher. The instrumental teacher will then contact you to discuss lessons further. The contact details you provide will only be used in conjunction with the peripatetic music lessons. Your details will not be passed to a third party, or used for any other purposes, without your permission. Students who receive Pupil Premium Funding are eligible to receive vocal or instrumental tuition as part of the school's PPG spending policy.

Lessons are offered at 20 and 30 minutes. It is usual for beginners to start at 20 minute lessons and move up to 30 minute lessons on the advice of their teacher. For students who already proficient 30 minute lessons are more appropriate. Lessons can be taken individually or in groups of 2 or 3 – although group lessons are at the discretion of the instrumental teacher. The instrumental teacher will discuss the cost of lessons with you, as these lesson are not free. Lessons are taken for a whole term – usually 10 or 11 lessons depending on the length of the term. **A commitment to regular, daily practice is essential.**

Timetables showing lessons times are on display in the front lobby of the Music Department. Students should check these on a regular basis to ensure that they know what time their next lesson will be. Lessons are worked out on a rotation system to ensure that students do not miss the same lesson each week. It is not possible for students to request a fixed lesson time during lunch or break time, and it is usually not possible for lessons to be arranged outside the usual school day hours.
