

Post-results services: Enquiries about results & Access to scripts Summer 2019

If you are unhappy with your mark you may have a review of results (**3 or 4**), speak with the Exams Officer or your subject teacher if you would like more information about this. Candidates should be aware that this could lead to the lowering of a grade. If you would like to see a copy of your script before deciding to proceed this can be requested for A Level and some GCSE exams. This must be requested by 22nd August for A Level and 29th August for GCSE (**6**). If your University place is pending it is recommended that you go straight for Priority Post-results review of results (**4**) by 22nd August.
