

RMGS CURRICULUM MAP FRENCH DEPARTMENT

CURRICULUM INTENT

In the Modern Foreign Languages Department we will inspire our students to be passionate learners of foreign languages. Through the teaching of vocabulary and grammar, we will teach them not only how the Foreign Language works, but also give them a greater understanding of their own home language. Through giving them an insight into the culture of the Target Language country in lessons and outside of the classroom when possible, we will encourage their inquisitive minds to not only learn about the country and its language, but also to enjoy the exposure to new ideas and traditions. Finally, we will equip them with the skills needed to be valued and successful adults of the 21st century
