

To determine whether a student is on the “LEFT” or “RIGHT” side of the timetable, see when they have a double Core PE lesson in the afternoon: Y11 LEFT – Core PE Friday afternoon: Y11 RIGHT – Core PE Wednesday afternoon

Other homework such as CCW/PSHE is set irregularly.

Homework is unevenly distributed between the days of the week – this is unavoidable given the complexity of the Key Stage 4 timetables.

Students will be able to spread their work more evenly, since homework is not always due in the day after it is set

For subjects in (brackets) see individual tables below.
