

Easter Revision Student Guidance

Monday 4th, Tuesday 5th and Wednesday 6th April

You should have received a confirmation email automatically if you signed up on time. The timetable can be seen on the school website and rooming. Please don't arrive on site before 8.45am.

Timings are

- **AM session: 9:00 – 12:00**
- **Lunch break: 12:00 – 12:30**
- **PM session: 12:30 – 3:30**

- Pupils must check to see the session is running on the website and in their email if a session is cancelled at short notice.

- On the day of the session pupils should go immediately to the room of the revision where they will be registered. Please check on the large board at the front of the Quad if unsure.

- There will be no facilities to buy food or drinks at school and so if a student is in all day they will need to bring a packed lunch. The hall will be out of bounds as will the 6th form block.

- Check with the relevant teacher if you are required to bring anything to the session (textbooks, revision guides, past papers etc)

- Payment is by 'ParentPay' which is the new school payment system. The cost is £2 per session. Parents have been sent login details by finance IT in March. Payment should be made as soon as possible. See the note 'Easter Revision Payment' previously posted on the school website.
